

## SECCo 2

### Youth for cross-border partnership and cohesion of EUSDR and EUSAIR

SECCo2 aims at strengthening the cohesion of the two macro regions EUSDR and EUSAIR, with a special focus on next generations and youth. The project improves the conditions for networking of cross-border stakeholders within the two macro regions.

In the course of the DSPF project, an on-line platform will be established, a tool-kit with e-learning materials to cross border cooperation will be elaborated and a Youth Forum conference will be organized.
